

PATTISON HOUSE

welcome

CONGRATS

ON YOUR RECENT ENGAGEMENT!

We are so excited you are interested in Pattison House for your event.

There are so many details to consider when planning a wedding. It can become overwhelming. That is where Pattison House comes in.

We designed our venue as an all-inclusive host to your wedding to enable you as a couple and your families to enjoy the celebration while making lasting, precious memories.

OUR MISSION

We guide you through every aspect of planning then execute your plan on the day-of. We take charge of making your day everything you dreamt it would be; giving you the ability to focus on the enjoyment of the event rather than its delivery.

Beautiful accommodations are an important aspect of your event, but ultimately what matters most at the end of the day are memories made. We designed our venue with both things in mind.
